

BETTY BOO Part OF MY LIFE

1. I LIKE MY CAT BETTY BOO SHE IS wonderful cat in my life. And I miss my MUM for ever. Betty Boo she has Furrying cloud Body and she has Beautiful eyes Turn Green Differed when she looks at me in the sun and when I look at her and I see her beautiful eyes and when she Turn her head and she tells me Hurry up MUM and feed me when she tell me that she wants to play with her and fat as well and her eyes tells me she is very happy I am happy as well. we know each other because we are happy together. When I first meet Betty Boo she was ^{the} one for me and I was the one for her and when I took her home I put her in the Bathroom ~~and~~ because she was scared of changed and I wasn't scared for her she is safe.

4. I have Four Cousin's and Three second Cousin's and I meet Two of them and Last Year Maddie was so excited the Present she GAVE me a Hug and kisses as well and it Make's me Happy see on the face and cassie ask me I shouldn't do that but I want to do something.

5. My Aunt Kerry is my life she the one looked after me, and my siblings when my MUM drunk all the we were Littles so my Aunt Kerry took us to Lawn Bow watch our Grandparents Lawn Bowls and it Puts Me happy face as well.

Bowls and it puts me happy face as well

7. I wish my parents get back together and be a happy family and but she took me away from I didn't like my mum to do that to me and I am shame with her and I was sad as well, and I didn't have a Birth Certificate because my mum lied to me she said to me that I did have one but I didn't I mad at her I hate she lie all the time so she can have her away all the time.

8. Last year Number 2 and I went to Adelaide conference and do program and talk about disability and my past control in charge to your self and we had good time in Adelaide we didn't want come home sometimes it's rain and sometimes sunny but cold down there and then we went to Tutti Arts and I talk to others my presentation and one lady bought it up about my mum and I only say what I have to say but when I keep talking

9. My Aunt Kerry is very strong lady and two kids and husband as well. I am close to Jessie ~~she~~ my cousin and we very close and we love each other because we are family.

11. One day I like to go holiday to America and it makes me happy I get bored sometimes and I haven't got parents at all it hurts all the time and I not happy here because my neighbour he makes too much

Noises all the time and it makes

11. one day I like to go Holiday
✓ to AMERICA and it makes me
Happy I Get Bored sometimes
and I haven't got parents
at all it Hurts all the time
and I Not Happy Here because my
Neighbour he makes too much

Noises all the and it makes
me Mad and angry and I don't
sleep.

12. I remember My Grandfather Tease
✓ My Grandmother when she last getting
Ready and she put her glasses down
the table and she went to the bath
and having a bath and when she finish
the bath got her robes and went in
the Bedroom put the top on and put the
Robes on and went to the Dining room
and she went to the table and looking
for her glasses and try find her glasses
and my Grandfather kept moving
around the table and she went
in the other room she picks
my Grandfather's underwear and
she put her glasses she looked
Down and saw her husband
under wear and she wasn't
happy but we were laughing
at her and makes us Happy
and she gets Mad at us.

don't Get in trouble with
mum but when mum at
work my Half Brother plays
up on me he Hit me and push
me the wall and when he said
to me Not to tell MUM or she
will yell at me and you, I don't
trust My Half Sister and ~~Brother~~
Brother, they use me what
they want.

15. I remember my Grandparents
✓ had dinner party for Business people
and they buy after dinner mints

they want.

- 15 I remember my grandparents had dinner party for business people and they buy after dinner mints and put on the table and after they gone back America and they have another party but my grand father said to them put after dinner mints up high so the kids won't get them, and mum said to my grandmother oh we got left over ~~of~~ after mints top of cupboard get them and when mum grab the after dinner mints in the box and she said to my grandmother you know the after dinner mints and she said yes when I grab the box the packet of after dinner mints is empty and my grandmother said what do you mean is empty the chocolate ^{after dinner} mints empty packet all neat and tidy in the box and my mum ask my grandfather Did you eat the after dinner

me and I can't have cakes it got sugar in it I was upset and angry and mad as well and I take tablets every day the first time I went to the doctors and blood pressure I am so sick of it but it make me better and a life and happy as well.

14. I hope I will find a place to live and safe my own home so Betty Boo the cat and I be happy in our new place for

- said to my grandmother oh we got left over ~~of~~ after mints top of cupboard get them and when Mum grab the after dinner mints in the box and she said to my grandmother you know the after dinner mints and she said yes when I grab the box the packet of after dinner mints is empty and my grandmother
- said what do you mean is empty the chocolate ^{after dinner} mints empty packet
- all neat and tidy in the box and my Mum ask my grandfather Did you eat the after dinner

me and I can't have cakes it got sugar in it I was upset and angry and mad as well and I take tablets everyday the first time I went to the doctors and blood pressure I am so sick of it But it make me better and a life and happy as well.

14. I hope I will find a place to live and safe my own home so Betty Boo the cat and I be happy in our new place for now we not safe here I like to unit or townhouse two ~~bedrooms~~ bedroom. when I 18 years my Mum told me packed your bags and get out of the house so I did packed my bags left but my half sister Sharon didn't want me to go she was crying and I was too it was Mum's fault she did this to the family but who going to look after my half sister and half brother she couldn't look after them I have to look after them while she working cooking cleaning and doing house work and she gets mad at us kids, I all ways get the blame because I the oldest child and other two get a way with it, they
