

## Colour Ball

Round as a ball,  
Blue as the sea,  
Colours of the rainbow  
All mixed at sea.

Mirror image stuck inside  
about the size of an increasing tide.

Hard but joyful,  
memories inside  
of my grandpa's stories  
which made me cry.

Like a bomb from the army,  
fresh from the war,  
with an explosion of colours  
just about to fall.

Corey, Year 3
